1. The facts connected with Ammanniamma's prayer are fully contained in the letter in 97 59-13. (B. May 1915).

3. The present situation resolves the question connected with the loan account of Hariharapur village in two points: viz,

(1) Whether the Gram village can be continued to be kept under govt management if the loan amount for which it was mortgaged to govt is fully discharged.

(2) the modus operandi to be followed for the recovery of the contribution amount due from the Gramdan of Hariharapur in respect of the Karmagiri ancient works.

5. It is clear from the discussions in file G.F. 59-13561-10 that Govt cannot legally retain possession of the properties after the discharge of the loan for which they were specifically mortgaged - The loan has been discharged by now.

6. It is therefore desirable to get a document executed from her and continue the possession of Govt, by paying her 1200 Rs per which she now demands for her maintenance - If she is agreeable to such a course - The average annual income is about Rs 2000.

If approved the Dy. Commr. will be informed accordingly.

GEN. & REV. SECY
8 NOV 1916

The Secretary to the Government of
His Highness, the Maharaja of
Mysore.

Revenue Department
Bangalore -

Sir,

I beg leave with due respect to request you to be
so good as to lay the following representation before the
Government of H. H. the Maharaja of for an early and
benign consideration.

In Government Order No. 627-8, dated
10th August 1914, it is stated that the ⁵⁹⁻¹³⁻⁴ debt due to Govt.
by my deceased husband, Mr. B. Gopalengar, on the
security of his inam Village, Hariharpur, Krishnarajpete
Taluk, is nearly discharged; and the Govt. directed
that a sum of Rs. 600/- a year should be paid to me
for my maintenance on the same security.

In a subsequent order No. 2852-53 dated
28th December 1914, the Deputy Commissioner of ⁵⁹⁻¹³ Mysore
was requested to obtain a docket from me, agreeing
to the arrangements stated in the first of the above orders.

I beg to state that the payment of by the
inamdars of their respective quota towards the cost of the
restoration of the Hemgiri channel is a general question
which affects not only my inam Village of Hariharpur,
but also several others served by the same channel. I
am prepared to be guided by the decision of the Govt. in
this matter, in accordance with the terms of the Sannads,
etc, under which the inams are held.

In the mean time, I humbly beg that suitable
provision may be made for my maintenance from the said
inam Village, on which the original debt has been admittedly

paid off. Rs. 600/- a year is tantamount to 50 Rupees a month, and I submit that this amount is quite insufficient for the support in decency and modest comfort of a lady of my status and habits. The hardship is all the more pronounced in these hard times, when on account of high prices and other hard conditions imposed by the War, 50 Rupees will barely suffice for me for a fortnight.

The security is ample; the original debt is all but discharged, and the property is mine, derived by me from my lamented husband. I venture therefore to entreat the Government to be pleased to grant me instead a monthly sum of 100 Rupees, or Rs. 1200/- a year, on the same security and from the same source.

For which act of ~~kindness~~ benevolence, I
will ever pray.
Yours truly,

To

D. M. Narasinga Rao Esquire B.A. B.L.
Secretary to the Government

in several departments Bangalore

Sir,

My paternal uncle late Mr. B. Gopalakrishna
State Hindu Treasury officer had borrowed Rs 20000/-
from the Government on the mortgage with possession of
his Sarvamanga Village Harishapur, Krishnarajpet
Taluk, Mysore District. The debt is now cleared. But
a Contribution amount of about Rs 12000/- for the
Hemagiri Ancient restoration is due from the Inamdar
of Harishapur. A Government order was passed in 1914
to the effect that the Village should be under Government
Management alone till the Contribution amount was
cleared and that the Inamdar may be paid Rs 600
per annum till then. My Aunt by name Annamma
(Mrs. B. Gopalakrishna) drew at this rate for two years.
As such she has agreed to do according to the Government order.
Now when she is asked to execute a bond to the above
effect, it seems she has written that if she is paid
Rs 1200/- a year she would execute the bond. If this
is

If this is granted it will take a very long time to clear the Contribution Amount.

Besides the above income of Rs 600/- per annum, she has the following sources of income.

- (1) Paddy from the Batayi lands in the said Harikarpur Village - jutta 70 Candis - $560 \frac{\text{Rs}}{\text{ft}}$ per annum
- (2) Paddy from the lands in Kempalingapura Village & Palahalli Village (Seringapatam taluk) jutta 12 Candis $96 \frac{\text{Rs}}{\text{ft}}$ annually
- (3) Rent from Junker bungalow Rs 240/- per annum

From the above three sources she gets Rs 896 per annum. Excluding tax etc, she will get not less than 800 Rs per annum. i.e. about 66 Rs per month.

If 600 Rs per annum is given to her from the Village Cash income by the Government, she will have in all 1400 Rs per annum for her maintenance, which is more than enough for her single life as she has none else to support but herself.

Besides these, she should be getting interest on Rs 8000/- the life Insurance amount of my late uncle as this has not been paid for any of my uncle's debts. All my uncle's debts except that for furniture were cleared by the sale of lands in Palahalli and Chevenahalli Villages. There is no other debt of my uncle except this Contribution amount now, and it is my earnest desire that his debt should be cleared.

By taking away large sums of money from the Village income, she only wishes to accumulate the debt to affect my interest as the nearest reversioner. Her only idea is to waste

I, therefore, pray that you may be graciously
pleased to order that the Village Haricharpur should
be under government management till the
Contribution amount is cleared under government
Notification no: 271 of 15. 11. 1883, and that as a
Concession Amangama ^(the present) the present Shander may
^(six hundred rupees)
be paid Rs 600/- per annum out of the income
till the Contribution amount is cleared.
